

STAY A WHILE

Intro

Noooo, stay a while. Yeaah

Verse 1

You have it, I want it
You say I nearly had it, if I'd put a ring on it
Ok, so I had it, now I've lost it
You say I could have saved it, if I'd put a ring on it
Ok, but wait don't leave, think about it
I said wait, don't leave, think about it, yeah

Chorus

Stay a while (stay a while)
Oooo...
Stay a while (stay a while)
I hear you now

Verse 2

We had it, so we can save it
I wanna chance to prove it
I don't wanna lose it
Do you remember last November?
We were talking about our future
So, you don't need to leave, think about it
So, you don't need to leave, think about it

Chorus

Stay a while (stay a while)
Oooo...
Stay a while (stay a while)

Stay a while x4
Ooo, yeah
