## Biography

Keety Roots wears many different musical hats. He is a singer, songwriter, musician, producer, mixing engineer.

As a true veteran, he has been functioning in the music industry for the best part of 30 years releasing vinyl records on his Black Legacy Records label, and has amassed a strong fan base all over Europe, South America and Japan.

He has had several hits in the roots dub scene over the years, 'African Blood', 'His foundation', and the 2016 smash hit 'Reparations', just to name a few.

Alongside his own productions he has collaborated with JPM Recordings, co-producing and mixing music, this collaboration found success with the 2015 chart topper 'Dirty Work' by Office Girls.

Keety Roots continues to produce and write deep heart felt songs that concentrate on social commentary and spiritual upliftment.

Watch out for the forthcoming Keety Roots album.
